

# HOW TO BUILD

# A Master Model Builder

## Want to build with LEGO bricks all day?

Find out what you have in common with the Master Model Builders at LEGOLAND Discovery Center and how to train for one of the best jobs you can imagine!

### Creative

Artistic builders tend to see and do things differently, pay attention to details and daydream.

### Organized

Do you store your bricks by size or color? Master Model Builders find it easier to become inspired and create when they can stay organized.

### LEGO Passion

Do what you love and spread it to others! It's easy to keep up with LEGO facts and trends as an enthusiast.

### Personable

There will be times you will demonstrate techniques to complete strangers. Staying comfortable enough to convey your message or instructions is important!

### Mechanically Inclined

Do you like to take things apart and put them back together? Builders tend to be interested in and patient with how things work.

### Tech Savvy

Some of your time will be spent on the computer using basic software or advanced programs.

### Team Leader

Do you know when it's time to step up? Don't be afraid to take the lead!

### Team Player

Cooperating with fellow members is critical to reach goals – for yourself and as a team!

## HOW TO DEVELOP YOUR SKILLS

Keep your room or workspace organized by sorting toys and bricks into buckets. This will help you find bricks and build models faster!

Use LEGO bricks to create unique school projects.

Besides LEGO sets, you can help assemble anything else with instructions: toys, furniture, appliances, etc.

Time yourself building and beat it next time!

Practice public speaking by demonstrating something to your family or friends.

Join a club or sport to work with a team and reach goals together.

Practice advanced LEGO building skills such as SNOT and SNIR techniques, diagonal striping, curve building, and creating letters or nameplates.

Use 2D or 3D applications to help you create designs and plans on your computer.

Once you are 18+, you can enter a LEGOLAND Discovery Center Master Model Builder contest near you to compete for the job!
