

Bone Axe

Made to chop through anything, the Golden Double-Bladed Bone Axe is the ultimate cutting machine. Remember, nothing can stand in its way, so... if at first you don't succeed, slice, slice again.

Nick Dagger

Can't get no stabbing satisfaction... no matter how hard you try and try and try? Then grab yourself the Golden Nick Dagger, a truly classic weapon that only – hey, hey, hey – grows sharper with age. A favorite weapon of Nya – Sister of Fire.

Major Spear

A very clever weapon, this smart spear is hard to defend against. Able to grab, and then snap lesser weapons with its five sharp points, this military weapon does not fool around.

Joker

What will this weapon be?

It's up to you!

Double-Bladed Dagger

Twice the fun of a regular dagger, this handy weapon can attack danger from either side. It's a great weapon for the new hero.

Battle Mace

Nothing screams better than a Golden Battle Mace. Made for the really hot, this ball and chain weapon of destruction makes an awesome impact. It hits 'em so hard, they'll see stars... golden, spiked, burning stars.

Bowie Knife (Dagger)

Time may change, but Bowie Knives are timeless. From cavemen to clowns, to sailors fighting spiders in dance halls, everyone uses these classic hip-holstered weapons.

Action Card

Tired of battle? Want some peace and quiet? Take a vacation at the Forest of Tranquility. (And stay there for one turn!)

Warning! The only thing you need to worry about here is leaving.
