Golden Scythe

This mighty weapon can mow down trees and move mountains. Whoever masters it, can use the earth in their battles. It is one of the four Weapons of Spinjitzu.

Golden Shurikens

Filled with the biting power of a snowstorm, these icy throwing stars cut through the air, and chill to the bone. Master them, and this powerful weapon of Spinjitzu will always come back to your hand.

Golden Nunchucks

Held together by a bolt of lightning, these Nunchucks are pure energy. Fast and powerful, they strike first with lightning, and thunder boom after. They're one of the four weapons of Spinjitzu that helped create Ninjago.

Golden Sword

This powerful blade is wild and dangerous. It's known as the sword of the dragons. Whoever masters it can use fire. It's one of the four weapons of Spinjitzu, and it helped create Ninjago.
