

Panel 1 - The now flying Kraang fires a missile from his detached brain bubble towards Mikey who hasn't gotten too far away.

Panel 2 - Mikey skillfully dodges the missile, which strikes a huge water line in the lab. On the pipe, there is a large shut-off valve. Tons of water gushes out.

Panel 3 - The broken pipe has flooded the lab and the water level is rising. Amongst the floating LEGO bricks and ooze containers, only Mikey's head is visible. Kraang is escaping through the hole in the sewer pipe in the background with his Foot Soldier hanging on the back of his bubble.

Panel 4 - Underwater shot of Mikey starting to construct something out of the bricks that are floating around him.

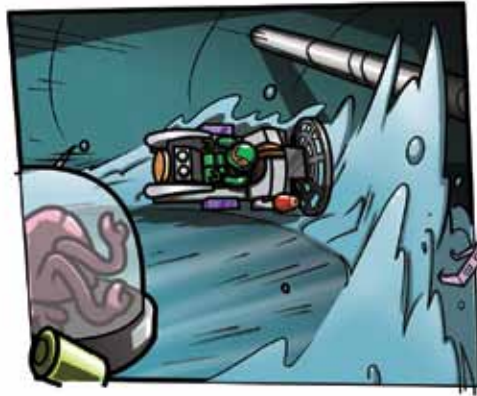

Panel 5 - Mikey in the fan boat breaches the surface dramatically.

Panel 6 - Mikey is in hot pursuit of Kraang. The Foot Soldier who is holding onto him as they fly down the sewer tunnel, spots him and prepares to throw a shuriken. Mikey's fan boat is kicking up a huge rooster tail of water.

Panel 7 - Mikey's nunchucks strike the Foot Soldier's throwing star before he can throw it.

Panel 8 - Mikey swerves and crosses in front of Kraang, putting up a wall of water in his path. A couple of fish flop out of the wake.

Panel 9 - Kraang slams into a low hanging water pipe, popping out of his brain bubble.

Panel 10 - Mikey stands triumphantly on his fan boat. Kraang kicks and flails in the water.
