

Panel 1 - The Dragon Bike starts speeding up and fires a missile towards Donnie who has landed his jump and is headed down the street, holding the map in one hand, his spear in the other.

Panel 2 - Donnie averts the missile by driving up on the side of a graffitied building wall. From that sideways position, Donnie throws his spear towards Shredder's front wheel.

Panel 3 - The spear lodges in-between the spokes of the Dragon Bike's front wheel.

Panel 4 - Shot of Shredder wiping out, pieces falling off of his bike. In the distance, Donnie is opening the sewer cover to jump underground with the map and his skateboard.

Panel 5 - Shredder is constructing something new to ride to follow Donnie underground.

Panel 6 - Shredder snaps the last piece on top of his newly constructed drilling machine! The blades are ready to dig!

Panel 7 - Side view of Shredder drilling his way through the earth.

Panel 8 - Shredder's drilling machine sits halfway through a wall of the Turtles lair, it's blade still spinning. Shredder stands before it. The turtles are in the foreground, ready to defend their home.

Panel 9 - Raph and Leo pry the drill attachment off the front of the drill machine while Mikey and Donnie fight Shredder.

Panel 10 - Raph and Leo redirect the drill towards Shredder and let it loose, chasing him. Shredder comically runs from the drill head, which is chewing up the floor as it spins out of control. His cape is getting nipped as he runs.

Panel 11 - Leo and Raph high three, Donnie and Mikey celebrate as well. In the mid-ground we see the destructive path of the rampant drill head, the many walls that have been drilled through, going into the distance.
