

Panel 1 - Leo swings the giant trash cannon towards the Kraang Droid who gets caught off guard and is knocked off of the top of the Shellraiser.

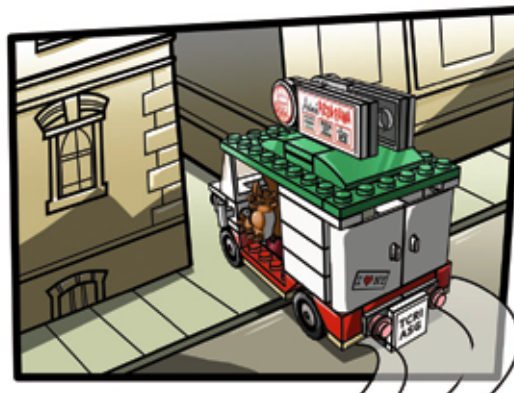

Panel 2 - Mikey grabs his skateboard and using his nunchucks, connects to the top of the Shellraiser and swings down toward the Foot Soldier. He knocks the Foot Soldier loose. The Foot Soldier falls into a trash can on the side of the road.

Panel 3 - Foot Soldier sitting inside the trash can with trash on his head.

Panel 4 - Leo is yelling something. "Look!"

Panel 5 - The pizza delivery truck is entering a narrow alleyway, an opening that is clearly too small for the Shellraiser to fit through.

Panel 6 - Mikey, who is being pulled along on his skateboard, start pulling pieces off of the Shellraiser and throwing them up to Leo. They are altering the Shellraiser!

Panel 7 - LEO and Mikey frantically slap the last of the LEGO bricks on their hot rod creation.

Panel 8 - The hot rod, with it's new sleek profile, fits down the narrow alleyway. Mikey hangs on with his hands and Leo stands fast on the side.

Panel 9 - Dogpound looks back from the side window. The hot rod is kicking into high gear.

Panel 10 - The front wheels of the hot rod come down on top of the pizza van, breaking it.

Panel 11 - Dogpound swerves into some garbage, gets ejected from the van.

Panel 12 - The turtles enjoy the fruits of their labor! Pizza! Mikey stands with one foot on a dazed Dogpound as he devours his pizza.
