

Panel 1 - Donnie zooms up in his go-kart and catches April before she hits the ground. She has a relieved look on her face. Donnie is smiling, very happy that he was able to save his crush.

Panel 2 - Raph flies off and Donnie and April, who is on the skateboard while holding on to the end of Donnie's spear, drive away. In the distance, Baxter sits in a pile of brick rubble.

Panel 3 - Baxter has a flash of brilliance! He pushes away pieces of the brick rubble to reveal the mouser - stars around his head and a foot missing - Baxter holds up the foot to attach to the robot.

Panel 4 - Baxter and the mouser are standing around the pile of brick rubble and begin to build something.

Panel 5 - Baxter is racing along in his new scorpion car. The mouser droid is with him.

Panel 6 - Using the scorpion tail, he stabs the back end on the go cart, causing Donnie and April to fly up into the air.

Panel 7 - Donnie and April hang onto the scorpion tail. Raph in the flyer cart is approaching in the background to help.

Panel 8 - Donnie is grabbing hold of the flyer cart, he has April in his other hand.

Panel 9 - The flyer cart fires its missiles, destroying the scorpion car and flinging Baxter and the mouser from the wreckage.

Panel 10 - Baxter and the mouser land in a dumpster by the side of the road. The mouser pops his head up from inside the dumpster with a banana peel stuck to his head.
